Optimize Physical Distribution for Equitable Access Success

Manage the distribution and returns of physical materials efficiently with VitalSource's physical distribution tool (PDT).

Streamline and Focus Physical Distribution

✓ **Equip Your Team:** Use a dedicated page within Verba Connect to handle the physical distribution of course materials with customized permissions for your team members.

✓ **Simplify Student Lookup:** Scan IDs or search for students to access the most up-to-date list of physical materials for pickup or return.

✓ **Perform Quick Actions:** Mark items as issued or returned in real-time, simplifying interactions between team members and students.

✓ **Integrate Seamlessly:** PDT helps manage physical distribution smoothly, verifies student eligibility, sends notifications, and tracks material status, all within the LMS and via email.

Deliver a Learning Advantage with Equitable Access
